If You wish to be accommodated in our university dormitory please mark it in the application form. When you register in the dormitory after your arrival, you have to pay a one-month deposit. No worries you will take it back after leaving the dormitory. About the price for a room we will inform you as soon as possible. Most of the rooms are designed for 2 people, there are few rooms for 3 people. Bathrooms are in the rooms. You will also have a fridge in your room but there is no place to cook in the room, so you will find a common kitchen on the 1st/3rd/4th floor. Visa

Citizens of the European Union do not need a visa for Poland.

Citizens from other countries need to check with enquire at the Polish embassy/consulate in your country to see whether a visa is required. Incoming students are responsible themselves for obtaining a visa, not being granted a visa means not being able to study at a Polish university.

Costs of life

Poland's official currency is the zloty (PLN). The currency comes in coins and bills.

In the below link you can find approximate monthly basic living expenses:

<https://erasmus.awf.katowice.pl/en/students-erasmus/cost-of-life-in-katowice>

Insurance

Health insurance is mandatory for all students for the whole duration of their stay in Poland.

Foreign students are required to take out insurance before their arrival in Poland. Students coming from EU countries who hold the European Health Insurance Card are entitled to free medical treatment in Poland. We also strongly recommend that you purchase accident insurance and liability insurance (related to unintentional damage) for the period of study in Poland. Students from outside the EU should buy a package of medical, accident and liability insurance before their arrival. There is also an opportunity to purchase an individual health insurance agreement with the National Health Fund in Poland (NFZ)
